"Friends may let you down, but not teddy bears." That's so true. Teddies are among the most wonderful gifts life has to offer.

And it is the desire to bring the heartwarming world of teddies to friends and others that TeddyThotz was born. Here, you'll find teddies that are quite out of the ordinary, and more adorable precisely because of that.

While Teddies warm our hearts, creative people bring joy to our life with their amazing creations. Even the most common everyday things become unique and uncommon in their hands. OneKind is all about such amazing finds, which could be anything from handpainted bags and fun notebooks to eye-catching t-shirts and handmoulded mugs.

Together we are TeddyThotz 'n' OneKind. Welcome to our Dream World in the Real World, where helping the less fortunate goes hand-in-hand with nurturing TeddyThotz 'n' OneKind.

Teddy Thotz
We help Teddies find loving homes.

Believe in yourself.
Dare to be different.
