Who are we

“Friends may let you down, but not teddy bears.” That’s so true. Teddies are among the most wonderful gifts life has to offer. And it is the desire to bring the heartwarming world of teddies to friends and others that **TeddyThotz** was born. Here, you’ll find teddies that are quite out of the ordinary, and more adorable precisely because of that.

While Teddies warm our hearts, creative people bring joy to our life with their amazing creations. Even the most common everyday things become unique and uncommon in their hands. **OneKind** is all about such amazing finds, which could be anything from handpainted bags and fun notebooks to striking t-shirts and handmade mugs.

Together we are **TeddyThotz 'n' OneKind**. Welcome to our dreamworld in the real world.
